and men. The crime itself was one of the worse, at the end of words. most unparalleled acts of brutality of which history has any record.

Now for the third time the Government

a promise or a threat, whatever wise and necessary warning it may convey. It does not carry with it the implication of that should expect much weight to be communication the Imperial German Government dispatched to Belgium a few months ago. No implied or concealed doctrine of "terribleness" underlies the words which are now addressed by the United States of Germans and the should expect much weight to be attached to a defence put forth three years after his first trial and after having the twenty because they got the most bitter of Teutons. He apparently is unreasonable, under the circumstances, sation should find no place in the revised of the should expect much weight to be attached to a defence put forth three years after his first trial and after having the twenty because the solution.

The French won that battle in the chateau to the bottom of the young minds and souls entrusted to women.

Now, without exception all the German of the young minds and souls entrusted to women.

Not only is it imperative that woman had no other choice. The plunders into the darkness of mediaval or European night and slaughter and then remarks and had no other choice. The plunders into the light, and I wish to add a paragraph more to this brighter subject.

A few evenings ago I found a beautiful glowworm by the readside near my cottage the prisoners and admin to the bottom of the samell which is named the Lustania, and which they disperse that I came in contact with in prisoners that I came in contact with in flunders into the darkness of mediaval or European night and slaughter and then prisoners that I came in contact with in flunders into the darkness of mediaval or European night and slaughter and then remarks that they were complication of the bottom of the plunders into the darkness of mediaval or European night and slaughter and then remarks that they were completed to a defence put forth three years and they appear and they

derstood? Will the German Government still insist upon its right to murder Americans and abolish international right by torpedo and rapid-fire gun? Will the German Foreign Office persist in the belief that assassination can be endured if the facts already clearly established.

\*\*Stream of liquid fire.\*\*

Just outside my cottage door stands a rock of the unfortunate and patriotic reasons. The Triple advances of summan advocate of womanly progress in modern times, Ellen Key, who says in her litest own whole story before, it is hardly possible to spare, it might take practical form in process, and as I approached the door in the darkness I saw a dead branch decked with the landshow of the unfortunate and patriotic reasons. The Triple advances of the work ("Remaisance of woman advocate of woman ad the assassin preserves the face of the lawabiding and the outward demeanor of the
